

Class Structure 2021/2022

In the summer term, we decided to take advantage of the demand for places at Halsall St Cuthbert's, by creating an extra class. We now have 6. By creating this extra class, we hoped to significantly increase our school budget, giving us the flexibility to keep class numbers lower and employ more teaching assistants to provide important classroom support. It should also help us to establish greater job security for staff in the coming years.

	<u>Teacher</u>	<u>Teaching Assistants</u>	
Class L	Rec and Year 1	Mrs Harrison	Mrs King, Mrs Lomax and Miss Judd
Class H	Year 1 and Year 2	Miss Hampson	Mrs Tyas, Mrs Strefford
Class F	Year 3	Mrs Floweth	Mrs Neale, Mrs Stevens
Class C	Year 4	Mrs Crane	Mrs Massam, Mrs McElhinney
Class K	Year 5	Mrs Kendall	Mrs Woolwich, Mrs Edney
Class G	Year 5 and Year 6	Mrs Galley	Mrs Dunne, (plus TA to be appointed)

Breakfast Club

Breakfast Club is now based in the dining room. Access to Breakfast Club is via the rear dining room fire door which leads on to the car park. Please look out for the new sign and bell. The club opens at 7-30am
Before 8-00am £4 After 8-00am £3
For bookings and any further information, parents are very welcome to e-mail Mrs Edney, the club's manageress.
breakfastclub@halsall.lancs.sch.uk

Activity Trail

Children are now welcome to use the Activity Trail after school but they must always be closely supervised by their parent/carer. Please sit on the benches and be in close proximity. MANY THANKS.

Family Fun Night + Free BBQ Friday 17th Sept (5-00 to 7-00)

As we missed the fun night in summer, we thought that this would be a nice way for everyone to get together again and it'd be a lovely 1st event for our new parents.

Children can bring their bikes, there'll be football, music and a free BBQ provided by the school staff. Obviously weather permitting.

Good Start in the Mornings

Many thanks for helping the start of the day run smoothly since our return. If you can, please use the car park drop-off or the drop-off at the small playground gate.

Staff will be there to see the children safely into class.

Parents **are not** expected to enter the playground to walk their children across to the doors. Please trust us that your children are safe. Could we also ask that parents do not wait by the gates and railings until after the bell, ready to wave to the children. This is when staff need to gain the children's attention and gain calm, orderly lines. Parents waving can be disruptive and cause upset, especially to the little ones.

Your help in this matter is very much appreciated.

Harvest Service

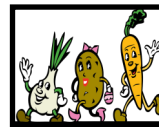

St Cuthbert's Church

Sunday 10th October 9-30am

Please join the children as they say thanks to God, for this year's wonderful harvest.

They'll be singing and dancing.

**Harvest donations will be gratefully accepted.
Many thanks.**

Labels / Name Tags

At present, we have hundreds of unclaimed items of clothing (both school uniform and other clothes) If these items had labels with names, we could return them. Please label all pieces of your child's school uniform including PE kit. It'll save you money and save staff so much time. The staff will then be able to spend more time helping children with their work and learning.
Thanks for your support

Parking

The school has received a few complaints from residents in both Summerwood Lane and Carr Moss Lane, regarding inconsiderate and dangerous parking by some parent/carers. Please be aware that police may well now be patrolling the area at home time especially, and fixed penalty notices have been issued in the past.

Car Park Speed

Please drive slowly in and out of the school car park. We have bumps and a speed sign to encourage people to drive more slowly and therefore more safely.
Thanks again.

Nut Products

Under **no circumstances** should any of our children be bringing to school nut products, either as a snack or within their packed lunches. Some of our children would be put at serious risk.
Many thanks for your understanding.
