

Blythswood Care

We are hoping to collect a few Christmas boxes (shoe boxes) for Blythswood Care to distribute to poor and disadvantaged children across Europe. Hopefully it'll make their Christmas a little more special. A Blythswood Leaflet is attached to this newsletter. If you need more, please let us know. Blythswood are hoping to collect the boxes in mid November. Many thanks for your support and generosity.

Wet Mornings

When it is raining in the mornings, the children come straight into school and we ask parents coming by vehicle to use the drop-off facility. If a friend, neighbour or relative is ever bringing your child to school and you receive a text, please pass it on and let them know asap so that they don't need to park up. It'll further help reduce congestion. Thanks.

Umbrellas

For reasons of health and safety, we ask that parents do not send children to school with an umbrella. With so many children in the playground, they can cause an accident. Only recently a child was accidentally poked in the eye by an umbrella spoke. Many thanks for your help with this matter.

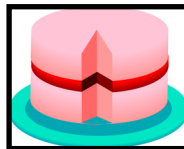

Football Teams

Both the year 5 and the year 6 football teams played brilliantly in the 2nd round of matches last week at Ormskirk High School. The year 6 team finished in a creditable 2nd place overall, winning 5 and losing 1 of its matches. A great effort. Well done to all the children and parents who came to support.

Macmillan Coffee Afternoon

A massive thank you to those who baked some amazing cakes or donated cakes and those who came along to set out tables, serve, clear away and help to organise things. Without your help and commitment, such events could never happen. Altogether we raised over £466. What a magnificent effort. Thanks once again.

School Bell

Please try and ensure that your child is in the playground by 8-55am each day. Children arriving in the playground after this time, receive a late mark. If it is wet, icy, there are temporary traffic lights or the roads are just busy, please try and leave earlier. Children settle down to their lessons much better if they arrive a school un-rushed and have had time to meet their friends, chat and play etc. They are more focussed, they learn faster and make more progress over time. Your support with this matter is appreciated.
