

FRANCE

Adam

France is a country in Europe. It's a popular holiday destination, they have nice food like baguettes and cheese.

What to do in France

Most people have sword fights with baguette!

Baguette fight? Or ~~your~~ a France hat.

Fun facts:

The capital of France is Paris.

The flag colors are red, white and red. In France you can not get a tattoo!

Food in France

There's popular for cheese and baguette, so baguettes, there's saucisson.

It's there bread. (Cheese is popular because they have the cows!)

France world records

France has broken the biggest baguette world record! They have also broken the world record for the highest sun gain.
