

DOGS

Hannah

Dogs are usually kept as house hold pets. Most dogs are friendly. There are alot of different breeds of dogs. Dogs also sleep alot. Dogs like to go on walks once or twice a day. Dogs also like playing alot.

What dogs need

Dogs need good to survive. They have food in the morning and afternoon. Water is very important for dogs. Other wise dogs will not be hydrated. They will also die. Dogs also need a bed to sleep in. Dogs need exercise to be healthy.

The Groomer

The groomer can cut, trim or shave a dog. Groomers might take a while. The groomer will go everywhere and make the room messy but you will have to clean it up.

DOGS

Different Breeds

Dogs are a common dogs. They can be very expensive. Yorkshire terriers are normally black. Huskys can survive in the cold because they are big, warm fur keeps them warm. Labradors are quite common like corgis as well. Chihuahuas are very small you can probably hold them in one hand.

The vet Working dogs

Working dogs guide blind people. Dogs also work at police stations. They can be given a piece of clothing and find that person. They hear dogs for the deaf. Working dogs are very very very clever. Working dogs need alot of exercise.
