

How & PETS

Liam

Where do I keep my pet? PETS and all about different pets

fun facts

There are more than 8000 French Bull dogs in the UK. They are a very popular breed of dogs.

What to look after

You have got to look after French Bull dogs when you get one. You have at least one season every 6 months. It's 9 weeks and you have up to 10 puppies in a litter.

French Bull dogs

Types of pets

Labrador and Spaniel
French Bull dog
Shih Tzu

What they eat - drink

French Bull dogs eat meat but if they are sick you should give them fish, soya, water.
