

# Building Houses!

Oliver T

The Country needs thousands of new homes, This Horse world has perfect for growing families. Very often there're like horse being built. This get sheet will give people lots of facts about building horses.

## Location!

Being near Schools and Shops is very important for quality life. If you have children you shouldn't live in a busy area! You might want to live on a quiet road.

## Material!

Material's include bricks, wall paper, wood and metal. You need cement and bricks to build a wall. You can get wall paper in a shop.

Did you know Alex they is building this house?

## Gardens!

Gardens need to be put specially, and have lots of space to play! Gardens are good places for animals to run a round! In a garden you can find stars like 4 leaf clover!

## Heating!

Solar panels convert sunshine into electricity. Everyone needs a radiator, because you need to stay warm. Hot water bottles can keep you warm. Sometimes you need to have the Heating on to have a warm bath!
