

Clivia

Monday 3rd February

What The Romans Did for us

The Romans made this type of clock. The Romans made-up the numbers. ✓

Roman clock

The Romans brought all of the cat from different countries all the way to Britain. Britain ✓

cat

The Romans usually wear this on arm. The Romans made it because they are high in fashion. ✓

bracelet (tore)

The Romans made some of the roads that you may drive on today. They also invented pathways. ✓

road and pavement
