What The Romans Did For Us

Cat

This is a cat. Cats are very entertaining. The Romans went to cat's and took animals like cats, with out Romans we wouldn't have pets.

Roman clock

Romans Invented Roman clocks so people can read. If Romans didn't make these we wouldn't have any clocks, and would not know what time it is!

Bracelet

Romans invented Jelly.

It can go up your arms. It is sticky. Boys can wear them to.

Library

Romans invented books. With out romans we would not be able to read. Now we have Webby's School bus's kindle's.
