comparing Tudors

I would like to be a rich clover and because they were rich they don't have jobs

How do we find out about the past?

TV on line, ask people, read, stories, portraits, fossils, diaries

I think this is poor because the clover are very dirty and he has plain clover. It is carving water. They are working, dull colours. he is bending over, not looking at the camera.

	Rich Tudors	Poor Tudors
Clothing	black and white clover they wearing arto, hamson	black and white clover
Homes	they are made of brick and the windows are made of glass.	they are made of straw the windows are made of paper.
Portraits	wearing lots of jobs. Gerts wore gold clover.	wearing old clover, carving water.
Pastimes	hance Tennis Jousting	
Food	a big mete. 20 mete in one meal. rose petals with sugar.	bread, water, eggs, etc.

Good comparisons ○○ Which would you rather be and why?
