Comparing Tudors

how do we find out about the past?

people write it down.

they find things

I think this is a poor Tudor because her clothes are messy

bent down

dull colours

not looking at the artist

	Rich Tudors	Poor Tudors
Clothing	fancy clothes gold Jules a made for dress them	
Homes	tall chimneys lots of windows Made of glass	matte and dirt hole in the roof
Portraits	they like to be posing and have lots of Jules	holding something and not looking skate
Pastimes	tennis, Jousting, Beer drinking, feasting	
Food	Wanted 20 dishes of meat at 1 meal only the king had a garter	they would eat bread, butter, cheese, eggs, broths, roots

♥ Good comparisons.

o/go Would you prefer to be a rich or poor Tudor?
Why?

Rich because you would get
treated better.
