To Santa

Dear Santa My name is Freddie Staines I am 7½ years old and my favourite thing to do is football you probably don't remember me but I have a lot of footballs in my garden.

I have been a good boy because I have learnt my 4 times tables, tidied the table, make my bed, feed my dog and do the washing.

So please may I have some 2019 messi boots because I like football and please may I have lego because I love lego.

And my dad would like after shave which is Bleu de Chanel and my mum would like a small handbag which is Louis Vuitton.

I like seeing my family and I like opening crackers and I like the dinner. And I like decorating the tree.
