

Small Boy Kills The Giant!

(Written by: Francescsa, Dylan, Jemima, and Jaspa)

The philistines have got beaten - finally!

A small boy called David beat a giant called Goliath. The giant was shouting, "Who wants to come and fight me?"

For forty days and forty nights, even king Saul didn't want to fight him.

David was a young boy who worked on his father's farm looking after the sheep on the hill side. Everyone underestimated

David because he was just a small boy.

The Philistine army had a special soldier who was a giant. Everyone was afraid of him, because he was strong and had a spear.

David believed that God would look after him because he was trying to help God's people. King Saul tried to make David wear his armour but it was much too heavy and big for him.

David fought Goliath with just a sling shot and some stones. He hit Goliath right between his eyebrows and then Goliath fell to the ground. And that was the end of him. Now everyone loves David because he is our hero.
