

Stop Bullying

Be a good friend not a big bully.

Don't make them cry make them welcome.

Don't be a bully on the first day.

Don't be mean, be kind to everyone.

When you see a bully tell a teacher.

Think before you say anything.

Make sure you tell a teacher don't just watch, do it straight away!

Stop bullying right now!

Be a good friend.

Don't be a bully otherwise you will get in trouble and have no friends.

Stand up to a bully

Look at them in the eyes.

Then ignore them.

Don't let them follow you.

Let them stay where they are.

They will be outside the staffroom.

And the Headteacher's office.
