

Gracie's Diary

August 28th 1914

Dear Diary,

Today we have received devastating news. Unfortunately, everyone is saying that the war is starting, and I don't know what's going to happen in the future. I feel, terrible, I am mainly worried as well as sad and nervous. Daniel said everything is going to be fine, but I don't think so. Daniel and I have been doing lots of things we shouldn't have recently so I feel really depressed. ✓

The weather is also terrible, the thunder and lightning is keeping me awake so I decided to write here. We've been to Rushy Bay again and when we started to leave Daniel and I saw the Birdman going out to sea with his dog (Prince).

4) Excellent detail within your diary entry Bronte, well done for including brackets.
